STRENGTHS

Problem-solver

In my last Real Code Solution, We lost our real database during show example projects, and our CEO call our team and how is that, and then we solved that during that night I, we did not leave the office . We recovered all data all the whole night and till the code was clean and running,

Result-oriented

I save time and discover more creative ways to do a specific task.

ACHIEVEMENTS

Winner in Soft-Skill

I have soft-skill to communicate with my team work.and my team always said good leader for them.
